

The contest for excellent students is an opportunity for grade 9 students to experience, and to be the most objective way to effectively reflect the comprehensive, useful educational program of Singapore International School (SIS) at Saigon South.

Integrated program with deep teaching method, reasonable content design and ideal international learning environment, along with the care, companionship of 9th grade teachers, Year 9 SIS integrated students proudly achieved impressive results in the English subject at Excellent Students Contest – District level in the school year 2020-2021:

- **1 FIRST PRIZE**
- **2 2<sup>ND</sup> PRIZES**
- **1 3<sup>RD</sup> PRIZE**

Study in an ideal environment, along with good study plan and available potentials, students absolutely can confidently continue participating in City Excellent Students Contest within the following year to reap more and more satisfactory achievements.

May students' future be filled with many more great achievements. Wish all students to continue their success on the study pathway at SIS.

Students of Singapore International School won prizes in English subject at District Level Excellent Students Contest
