Dear Parents,

I believe the 2017/18 academic year has certainly been a busy, productive and successful learning experience for all in our SIS@SS school community.

Throughout the 2017/18 academic year, SIS@SS has strived to be a school of excellence. Seeking improvement in all we do.

Providing a learning journey for all students, rich in eastern values, with a challenging international curriculum, whilst nurturing global citizens.

On behalf of the staff, I wish to congratulate all students at SIS@SS who have strived to achieve their personal best learning this year. Students have been rewarded for their hard work and application to their studies. Examination results this year are evidence of this.

We are very fortunate at SIS@SS to have such a caring, dedicated, hardworking staff. Their professionalism is valued and greatly appreciated.

I would also like to take this opportunity to express sincere thanks to all parents for their ongoing support and trust in the international education of all students at SIS@SS.

As the 2017/18 academic year comes to a close, and preparations continue for the new school year, I wish all leaving us at the end of this academic year, every happiness and best wishes for the future.

New beginnings, new learning!

Yours in learning,

Mark Priddis – Principal
