At Singapore International School we seek to nurture students who are:

- **Academic Achievers**
- **Confident communicators**
- **Critical Thinkers**
- **Technologically literate students**
- **Active and Responsible citizens**

Apricot Tree

Dear Parents,

As we fast approach the end of semester one, I would like to wish everyone in our school community a very Happy New Year.

2017 is now with us and I would like to acknowledge the hard work and positive contributions to student learning at SIS@SS, by staff and students which has been most appreciated and valued by all associated with the school.

School life has been very busy with the completion of semester one examinations.

Reports

Reports for the semester will go home early in term 3, followed by parent teacher conferences which will take place in week 3, of term 3.

Communication will go home concerning semester 1 reports and the parent teacher conferences early in week 1 of term 3.

Parent Teacher Conferences

These conferences are always a great opportunity for parents and teachers to come together to discuss student learning progress, and review areas for improvement for students in semester 2.

This is also a time for students to reflect on their learning and set new positive learning goals for the new term ahead.

Virtues

The schools virtues program will continue in term 3. The theme will be that of Persistence.

Year 7 Integrated Tet Decoration

**Year 3B Integrated presentation
on Flexibility**

Students' preparation

A hard word to understand always means always trying to do you something feels too difficult or term will be perseverance, ho and commitment

When next at school, please t the notice boards in the hall display completed so far this y week when classes present th weekly assemblies.

On behalf of the staff I woul school community a happy an begin on the 6th of February.

Yours in learning,

Dear Parents,

Happy New Year, and Chúc M

Parent-Teacher Conferences

These will be held Week 3 Conferences will take place in an environment appropriate conversations about student p More information will be sent Tet holiday.

Student Drop-Off

As it is important for teach instructional day promptly at 8: depart campus prior to that appointment to meet with a sta remain on campus, particularly difficult it can be for students

Student Pick-Up

Supervision is not available after 5:00pm, so all children should be picked up by that time.

Uniform Policy

The student uniform policy relates not only to shoes and dress, but also hair and grooming. Before approving any changes to your child's hair style or color please consult the handbook or contact the school.

Tet Decoration port. Best wishes for a happy and healthy 2017, Year of the Rooster.

Respectfully,

Robert Madden – Deputy Principal

Dear Parents,
With eleven nationalities represented by its members, Year 4 International is truly an international class.

As such in the second semester we will begin a program to celebrate our similarities and embrace our differences. Time will be set aside each week when the students will be
Year 3 International Decoration s and customs from their own

Students will create Power Point presentations to showcase their individual cultures. These presentations will benefit the students twofold; for the presenting students they will enhance their ICT and presentation skills, while the rest of the class will learn interesting facts about how it is in various countries around the world.

The class is very excited about their new project and it will be an enjoyable way for them to broaden their horizons by "travelling" in the classroom.

William Anthony Daws – Year 4 Int'l Teacher

Year 2 Integrated Tet Decoration

Parents are always looking for ways to ensure their children don't forget everything they have learned over the break times

Here are a few quick and easy things you can do with your children while on vacation to keep their minds sharp:

- Continue to read throughout the holidays - they might like to read in the mornings before they get up, at night before they go to bed, or help you by reading to their younger siblings
- Keep a holiday diary! (writing down each day what they've done and how they felt about the activities.) Or draw a picture and write 1 or 2 sentences about it.

Students at water sport game promotes writing skills but you could include mapping as well

- Do some cooking or baking! It makes use of their math skills (measuring, temperatures)
- Play some cards! Your children will be practicing their number and pattern recognition skills, without even realizing it.

Sharla Scott - Head of Studies (Y5 – Y9)

Christmas Fair Activities

Dear Parents,

We wish you a wonderful 2017. Here in the high school the End of Semester 1 exams have completed so it has been a busy time for the students and teachers. GAC students are soldiering through Level 2 and will face more challenging assignments and exams as we move towards Level 3. With the official exam period for the Cambridge 2016/2017 series coming soon, now is the time for our IGCSE 2 students and their families to consider options after IGCSE 2. After IGCSE we proudly offer the Cambridge A/AS Level and GAC programs.

Our experienced and dedicated teachers are here to support our students all along the way. Students who choose GAC are able to complete the course in 12 months and it gives them access to a number of well-respected universities in countries such as Australia, the USA and the UK. Please contact us for advice about your child's pathway of choice

Celebrating the Christmas Fair and GAC programs. Wishing everyone a safe, happy and prosperous TET holiday!
